

## SERVICE HOURS REPORT

To whom it may concern:

Boy Scouts in Troop 1011 are able to earn credit (i.e. Service Hours) for their service outside the troop for the betterment of the community. Conditions that must be met:

1. Hours may not be applied for any other credit for church, school, or other social groups. In other words, he is doing this only for Boy Scout Service Hour credit.
2. The Scout may not receive monetary reimbursement for this service.
3. He may not directly or personally benefit from the outcome of this service as an individual.
4. His service benefits a group of people or an organization.

If the Scout's participation in your activity meets these requirements, please sign this form for the Scout to receive credit. We hope that our Scout's time and efforts benefited you and your organization in a positive way.

Sincerely,  
Jim Flowers, Troop 1011 Scoutmaster
